Dear Mr. Mehkri,

I am desired to state that the mischievous activities of Mr. Mahomed Sait of Mysore City have been brought to the notice of Government on several occasions. He has been a source of constant trouble to the local Municipal Administration. In connection with the last elections to the Municipal Council, he made most irresponsible allegations regarding omissions in the voters' lists and in that connection, deliberately and mischievously included fictitious names in the list of alleged omissions. He also appears to have played a prominent part in almost every disturbance at Mysore, and his influence seems to have been invariably to set up the ignorant and rowdy elements against officers of Government charged with the responsible duty of enforcing law and order. ~~From the reports received from~~ ~~it will be seen from the records in your office~~ There is good reason to believe that he was, in no small measure, responsible for inflaming the feelings of the ignorant local muslims in connection with the recent unfortunate disturbances near the St. Philomena Church at Mysore. ~~There are also serious doubts about his loyalty~~ His loyalty who is open to serious doubt. From all accounts he has been a menace to communal peace and public tranquility.

In the foregoing circumstances, Government consider it desirable that he should be severely warned to desist from such activities and told that should he give occasion for such complaints in future, Government will be constrained to take more severe steps against him.

I am to request you to kindly send for him and

him
warn Communicating the purport of the above
personally ~~communicate the above warning to him, and~~
may also be kept
~~Keep~~ A vigilant watch over his activities.

Yours sincerely,

Chief Secretary.
